BUDDHA'S HAND

Andhra Pachadi

ABOUT

- **Unique Shape and Citrus Fragrance:** Known for its distinct appearance and aroma.
- **Cultural Significance in East Asia:** Holds spiritual significance and is used as an offering in temples, referred to as "fushu" or "lucky hand" in Chinese culture.
- **Japanese Culture:** Known as "Buddha's Hand Citrus," it is used in teas, desserts, and ceremonial practices.
- **Aromatherapy:** Utilized in Indian and Japanese cultures for its aromatic properties.

BENEFITS

- **Rich in Antioxidants:** High in Vitamin C, which boosts immunity, improves skin health, and aids digestion.
- **Aromatherapy:** Its fragrance reduces stress and anxiety, often used in oils as a mood booster.
- **Ayurvedic Uses:** The paste is used to soothe skin irritants and promote healing.
- **Anti-inflammatory:** Improves respiratory health with natural anti-inflammatory properties.

HISTORICAL USES

- **Herbal Teas:** Dried Buddha's Hand peel is steeped in water to create herbal teas for respiratory and digestive relief.
- **Traditional Chinese Medicine:** Widely used to treat indigestion, congestion, and alleviate pain and discomfort during menstruation

INGREDIENTS

Buddha's Hand, ginger, onion, turmeric, sunflower oil, coriander seeds, red chilies, cumin seeds, salt, mustard seeds, curry leaves, jaggery, tamarind, and zero preservatives!
